## Portishead Amateur Swimming Club

Monday 3rd September 2007

### Welcome Back!!

The committee and teachers of the Club hope that you all had a relaxing and enjoyable summer holiday.

### Code of Conduct

Over the past year, the committee have been rewriting and altering our Constitution and Rules for swimmers, following guidance from the Amateur Swimming Association, local Somerset Action Group and other club's.

Please find attached our revised 'Code of Conduct', this details the rules set down by the committee on attendance; behaviour and personal conduct; medication; sanctions and constitution for all swimmers. Please could you read the attached Code of Conduct, ensuring that the club

member is fully aware of these rules and sign the relevant section. Please return the signed section at the bottom, and keep the Code of Conduct for your reference, to the registration desk by **Monday 1st October 2007**.

If you have any queries or questions relating to this or any other matter please do not be afraid to contact the club on the methods below, or see a member of the committee on a club night.

### AGM

A reminder that our AGM takes place on Wednesday 19th September at the Folk Hall at 7:30pm.

This is your opportunity to discuss relevant points regarding the running and management of the Club. We look forward to seeing you there.

### Payment

We are requesting that when fees are paid, within 3 weeks of the start of term, that they are paid by cheque made out to Portishead Amateur Swimming Club. This is a result of several confusions over payments. Thank you in advance.

### Risk Assessment

It has been brought to the attention of the Committee that some swimmers while waiting for their session are meeting around the marina, where there is no evidence of safety barriers. As stated in the attached 'Code of Conduct', swimmers are not the responsibility of the Club until they are on poolside.
